

Position opening of full-time faculty in Neuroscience, NCCU

The Institute of Neuroscience, National Cheng-Chi University, invites applications for a full-time faculty position as Assistant, Associate, or Full Professorship levels, with employment expected to begin in February 1, 2025. Applicants who have previously received PhD degree in Neuroscience or Biomedical information-related research areas with postdoctoral training or with current professorship will be considered. Applicants who are expertized in “Biomedical or Health Science Information Analysis” will take priority. Applications should include (1) curriculum vitae, (2) copy of diploma, (3) a list of all academic publications and 3 reprints of selected publication in the recent 5 years, (4) research plan(s), (5) teaching plan(s), (6) proof of current employment and professorial rank and (7) two letters of recommendation.

Application materials must be postmarked no later than **October 6, 2024**.

Please mail application materials to:
